SAY SOMETHING

You may already know someone who is a victim of human trafficking.

Do you have a friend who is frequently absent...

...who runs away often?

...who is often changing their circle of friends?

...has been given food, a place to sleep, money, or other items in exchange for sexual acts?

...who you suspect may be in a controlling relationship?

...has an excess amount of cash with no explanation of where it came from?

...has unexplained bruises, black eyes, cuts or marks?
