

Intake Date	Screen In/Out Status	Allegation Narrative	Summary Basis for Screening Decision	Secondary Basis for Screening Decision
1/11/2014	NOT ACCEPT	<p>██████████ was found hanging by the neck in his home bathroom. At this time there is no knowledge or indication of abuse or neglect.</p> <p>██████████ was pronounced dead sometime after 6:30pm tonight after hanging by the neck in the bathroom of the family home. A belt was wrapped around his neck. He had texted his girlfriend, apparently giving a hint at what he was doing, but they did not respond. At dinner with mom tonight he was smiling and fun, giving no hint of suffering, or of a desire to harm himself. There are no indications that foul play was involved at this time, but detectives have not arrived yet.</p> <p>Mom is currently at the hospital and hysterical.</p>	No allegation of maltreatment reported.	Suicide
1/20/2014	NOT ACCEPT	<p>On 1/20/2014 ██████████ was being cared for by the mother who put him on the couch about a couple feet away fixing him a bottle. The mother heard ██████████ grasping for air and went to check on him. ██████████ appeared to be ok and the mother went to continue fixing him a bottle. The mother heard ██████████ grasp for air again and went back to check on him. ██████████ had turned a bluish color and was not breathing. The incident happened at 9:50 am this morning and law enforcement was contacted about 10:00 am by the mother. There was no reason to suspect abuse or neglect.</p> <p>██████████ was born with multiple medical conditions. He had a deformed brain stem, no motor skills, had seizures, the back part of his skull never developed, and his brain was exposed at birth. ██████████ had several brain surgeries due to his condition. He was not expected to live past 6 months.</p> <p>The father works for ██████████. The father was not at home at the time.</p> <p>There were no concerns with the parenting styles.</p>	No allegation of maltreatment reported.	Health Related

1/28/2014	NOT ACCEPT	<p>On 1/25/2014, ██████ ran away from home. On 1/26/2014 ██████ was discovered dead with a self inflicted gunshot wound.</p> <p>██████ told his step mother that he was going to a friend's house at noon on 1/25. He was told to come home by 2:00pm. When he didn't return the stepmother reported him missing. The friend whose home ██████ was going to said that he had been with his biological father all day and had not seen ██████.</p> <p>██████ had a history of depression and was prescribed medication for it. He did not have his medication on the day of the incident. ██████ lost his biological mother in October of last year and lost a sister at some point earlier in his life.</p>	No allegation of maltreatment reported.	Suicide
2/4/2014	NOT ACCEPT	<p>On 2/4/2014, ██████ committed suicide with a 12-gauge shotgun that he had access to in the home. ██████ body was found by his brother, ██████.</p> <p>██████ has been having some issues with his Stepmom and had gotten suspended from school on 2/3/2014. Dad may be a convicted felon and is aware that not only should he not be in possession of guns, he and Stepmom were aware of ██████ recent difficulties.</p> <p>██████ left notes for everyone and he had gotten in trouble in school yesterday. ██████ has been doing well in school. There is no information about ██████.</p> <p>There are concerns that Dad may also be a convicted sex offender.</p> <p>No information was provided about Dad and Stepmom's general parenting skills.</p> <p>It is not known what involvement Mom has with ██████ and ██████ if any.</p>	Investigated through other intake.	Investigated via subsequent report.

4/5/2014	NOT ACCEPT	<p>On 4/5/14, [REDACTED] was found not breathing in the grandfather's home. When law enforcement arrived, the captain started conducting CPR on [REDACTED]. A short time later EMS responded and they continued doing CPR on [REDACTED]. [REDACTED] was taken to Calhoun Liberty Hospital where Dr. Stewart Warren pronounced [REDACTED] deceased at 0732.</p> <p>According to the grandfather, last night, 4/4/14, he and the babies went to bed around 9pm. The grandfather states that [REDACTED] was lying in the middle of the bed. The grandfather woke up around 2:00 this morning, 4/5/14, and [REDACTED] appeared okay. Later this morning, when the grandfather woke up again, he found [REDACTED] lying on his side and he appeared to be bluish colored in the face. The grandfather then yelled for his paramour [REDACTED] and she took [REDACTED] and began conducting CPR while she called 911.</p>	Investigated through other intake.	Investigated via another sequence.
4/17/2014	NOT ACCEPT	<p>Mom and the father of the newborn are using Crystal Meth. Mom used during the pregnancy as well. However, the newborn looks healthy. Mom usually calls the maternal family in Florida when she is depressed, crying or out of drugs. Mom has a second child that is in placement with another father. Mom, the newborn and the father currently reside in South Carolina. Mom had a baby that died of SIDS two years ago in Orangeburg South Carolina. Mom stays at home and isn't employed. The father of newborn doesn't work either.</p>	No jurisdiction.	Death occurred out of state.
4/18/2014	NOT ACCEPT	<p>On 4/17/14, the mother gave birth to a stillborn. The mother and father gave conflicting statements of still birth of infant. They did not report the incident for several hours when the mother was still bleeding and needed transport to the hospital. The police have not filed any charges at this time.</p> <p>The conflicting statements given by the mother and father were not provided.</p>	No jurisdiction.	No victim established - still born
