BROWARD COUNTY REFUGEE TASK FORCE MEETING

INTRODUCTION

The meeting was held at the Urban League of Broward County (ULBC). Miriam Rosario (MIR), Community Liaison represented the DCF, Refugee Services (RS) Program. Miriam thanked ULBC for hosting the meeting. The meeting was called to order and participants introduced themselves, services and the agency they represented.

SPECIAL PRESENTATIONS

A presentation was given by Rebecca Hahessy, Director of Client Services, Feeding South Florida (FSF) on services available to refugees and the community. FSF is the leading domestic hunger relief organization. FSF is the largest food bank in the counties they represent; Broward and Palm Beach. Rebecca shared some important new ways to improve food distribution and food insecurity. FSF provides opportunities for all - donating food and funds, sponsoring food drives, volunteer opportunities, and advocacy. They also assist with Supplemental Nutrition Assistance Program (SNAP), Temporary Cash Assistance (TCA), FL Kida Care, Medicaid and Medicare programs. FSF distributes \$84 million worth of food (50 million pounds) to south Florida communities. They are part of the national and state food pantries and food banks. Their centers also assist with phone calls, sending faxes and making copies. FSF connect families with training and resources to increase family stability. They provide access to nutritious food at the choice pantry and provide referrals to partners agencies. Staff and clients are advised to make appointments to visit their warehouses in Pembroke Pines and in Boynton Beach, to tour the place and to obtain the food that they need. In South Florida 68% of families must choose between food or utilities. There was an open discussion among members on ways to collaborate with FSF and questions on ways to educate and help refugee clients, children and seniors. Rebecca's PowerPoint presentation will be sent to task force members.

NEW ISSUES/ACTION TAKEN

Welcoming Week Planning (WW),

During the week of September 14-24, 2018, Welcoming America and its partners across the country will host National Welcoming Week (NWW), a nationwide event that will bring together immigrants and U.S.-born community members in a spirit of unity through service projects focusing on volunteerism, civic participation, and creative expression. In Florida and nationwide, Welcoming Week will be celebrated. In Palm Beach County, the event took place at the Palm Beach County Library. In Broward County, the event will take place at Broward College (Project Renew) on 9/24/19 and will be hosted by Broward College. Miriam thanked BC/PR for their ongoing commitment.

GENERAL UPDATES/ANNOUNCEMENTS:

USCIS, Berta Cassidy Community Relations Officer (CRO) indicated USCIS is now using Tablets for English Reading/Writing Tests. On Oct. 1, USCIS will be using digital tablets to administer the English reading and writing tests during naturalization interviews as part of the agency's ongoing business modernization efforts. Although USCIS applicants already use digital tablets to sign or verify parts of their applications, this new approach expands tablet usage,

allowing the device to be used for a greater portion of the application process. USCIS will be able to continue using the paper process on a case-by-case basis. While the eligibility requirements and the subject material of the naturalization test have not changed, applicants are now using a stylus on a digital tablet instead of a paper application. Immigration Services Officers (ISO) will carefully instruct applicants on how to use the tablets before administering the tests. For the reading test, a sentence will appear on the tablet and the ISO will ask the applicant to read it. For the writing test, several lines will appear on the tablet, replicating the appearance of a piece of blank paper. The ISO will read a sentence aloud and ask the applicant to write it on the tablet. Applicants will continue to take the civics test verbally, without the tablet.”

USCIS “are sending text and email messages about filing Form I-90, Application to Replace Permanent Resident Card online. If you are a lawful permanent resident and your Green Card has expired or is about to expire, or if you need to replace it for another reason, you may file Form I-90 online. Go to the Form I-90 page on our website to begin your online application process.”

There was a discussion regarding Employment Authorization Documents (EAD). There have been delays in the processing time of applications (4 to 8 months to process). Berta will discuss the issue with USCIS headquarters.

DOH- Migdalia Diaz, DOH supervisor, informed that RS-DOH appointments are up to date. She has observed an increased number of Venezuelans receiving asylum. She can be contacted via email at Migdalia.Diaz-Nieves@flhealth.gov with any questions.

All of the refugees receiving Medicaid will need to make sure their address is correct because they will be sending out new cards.
