

Systemic Interview Questions Regarding Foster and Adoptive Parent Licensing, Recruitment and Retention for In-Depth Practice Review

Date: _____

CBC: _____

Interviewee(s): _____

Interviewed by: _____

1. How does the CBC recruit foster and adoptive families consistent with the foster care placement needs of the children served including the recruitment of racially diverse foster and adoptive families?

2. How effective is the CBC in conducting thorough home studies of prospective foster parents and pre-adoptive parents including ensuring they have the capacity to provide a nurturing, safe, and healthy environment for children?

3. How does the CBC ensure appropriate life style standards are in place in foster family homes and childcare institutions?

4. What does the CBC agency do after initial approval to ensure foster parents continue to be in compliance with requirements prior to re-licensure?

5. How effectively does the CBC work with other CBC agencies to explore families who live in other jurisdictions to facilitate timely adoptive or permanent placements for waiting children?

6. How effective is the CBC in providing and ensuring completion of adequate training for current and prospective foster parents, including relative caregivers and adoptive parents?

7. How effective is the CBC in providing and ensuring adequate training is in place for staff of licensed or approved childcare facilities?
