Secretary Harris reviewed the impetus behind the creation of this subcommittee. Each member briefly introduced themselves.

2. Review of Statutory Duties for Subcommittee

Secretary Shevaun Harris, Subcommittee Chair

Secretary Harris addressed the charge of this subcommittee; she suggested that we begin diving into the first responsibility of the subcommittee, which is conducting a review and evaluation of the management and functioning of the existing publicly supported mental health and substance use disorder system and services across agencies, including identifying gaps and opportunities.

3. Interim Report Contributions – Timeline for Submittals

Dr. Jay Reeve, Commission Chair

Dr. Reeve discussed the timeline for the Commission. The commission will run through the end of 2026, with a report due to the legislature in 2027.

There is an interim report due in January 2024, one in 2025, and at the end of 2026.

Dr. Reeve reviewed Sunshine Laws as they pertain to the subcommittee. Those serving on the subcommittee as subject matter experts are not considered formal members of the Commission and therefore can engage in fact finding in concert with other subject matter experts. Subject matter experts may also work with Commission members, but only one Commission member may be present, otherwise it must be publicly noticed.

Commission on Mental Health and Substance Abuse System of Care Sub-Committee

4. Future Meeting Schedule

Secretary Shevaun Harris, Subcommittee Chair

Secretary Harris proposes a monthly meeting cadence of 2 hours.

Secretary Harris asked members to review the meeting packet prior to the June meeting. Members are encouraged to make sure services checked off in their areas are accurate so the subcommittee can do a deeper dive.

Additionally, members are asked to consider emerging issues with the system of care. Secretary Harris made specific note of care coordination and data sharing.
