

# Florida Early Literacy and Language Development Course Approved List

Pursuant to Section 402.305(2)(d)5., F.S., all child care personnel must complete a single course of training in early literacy and language development of children ages birth through five years that is a minimum of five clock hours or .5 CEUs. Early literacy training must be completed within 12 months of date of employment in the child care industry. Proof of completion may be documented on a certificate of course completion, classroom transcript, or diploma. Child care personnel must complete one of the following:

- A. One of the department's online literacy courses available on the department's website.
- B. One of the department's approved literacy courses, see list of approved literacy courses below.
- C. One college level early literacy course (for credit or non-credit) if taken within the last five years

If you took an early literacy course before December 2017 that is not on this list, please contact the child care [licensing counselor](#) in your area to determine if the course meets the early literacy training requirements.
