II. Managing Entity Responsibilities

To comply with Chapter 394.4573, F.S., the Managing Entity shall subcontract with Network Service Providers to provide case management services for each civil resident of a State Mental Health Treatment Facility (SMHTF) whose home county is within the Managing Entity's geographic service area. These services may be provided by a community case manager, a Florida Assertive Community Treatment (FACT) team member, or another designated community Network Service Provider staff member.

To comply with CFOP 155-22, the Managing Entity shall subcontract with a Network Service Provider to provide Case Management services for each individual eligible for services under this contract and who, pursuant to Chapter 916, F.S., has been ordered by a Circuit Court within the Managing Entity's service area:

- A. For services related to an adjudication the individual is Incompetent to Proceed (ITP) to trial, or
- B. For services related to an adjudication the individual is Not Guilty by Reason of Insanity (NGI) due to mental illness.

The Managing Entity shall include subcontract requirements for the Network Service Providers to complete the following activities for individuals transferring into or out of SMHTFs. The Managing Entity shall monitor Network Service Providers adherence to these requirements. The Network Service Provider shall:

- A. Maintain an open case for the individual during the time he/she resides in a SMHTF,
- B. Participate in the development of a SMHTF recovery plan,
- C. Participate in monthly reviews of the recovery plan,
- D. Maintain at least monthly contact with SMHTF staff concerning the status of the individual,
- E. Maintain contact with the individual's family consistent with Chapter 394.9082(5)(r), F.S.,
- F. Share relevant information with the SMHTF staff,
- G. Locate housing and services in the community in collaboration with the SMHTF,

H. Have a face-to-face contact with the individual in the community or jail within 2 business days of discharge from the SMHTF, and

I. Maintain progress notes in the SMHTF medical record reflecting all meetings and communications with SMHTF staff, the resident, the family, or significant others.

The Managing Entity will ensure coordination between the Network Service Provider and the Social Security office occurs within five business days of discharge from the SMHTF for individuals who are discharged with benefits in pending status to ensure their benefits are activated.

The Managing Entity shall make every effort to see that the following priority individuals are eligible to receive Case Management services or Intensive Care Management services, as clinically indicated:

- A. Individuals who are awaiting admission to a SMHTF,
- B. Persons who are in a SMHTF regardless of admission date,
- C. Individuals who transfer from one Region to another Region where they had been receiving case management and other services,
- D. Individuals who are incarcerated or at risk of incarceration and/or institutionalization for mental health reasons,
- E. Individuals discharged from a SMHTF,
- F. Individuals who have had one or more admission to a crisis stabilization unit (CSU), short-term residential facility (SRT), inpatient psychiatric unit; or a mental health residential treatment facility (RTF),
- G. Persons who have resided in a SMHTF for at least 6 months in the last 36 months, and
- H. Persons who reside in the community and have had two or more admissions to a SMHTF in the last 36 months.

III. CONTINUITY OF CARE

A. Admission to a SMHTF

1. Civil SMHTF

The Managing Entity shall ensure Network Service Providers comply with Rule 65E-5.1301, F.A.C. The Managing Entity shall:

- a. Ensure the case manager, or other assigned community behavioral health staff members are assigned to each resident within 3 business days of admission to the SMHTF and that the contact information is provided to the identified staff at the SMHTF.
- b. Ensure all information required to assist with the individual's treatment is provided by the community case manager to the SMHTF.
- c. Have pre-admission calls with the Civil SMHTF for individuals on the waiting list for the purpose of and information sharing.
- d. Review the Civil Admission Waiting list at least monthly to look for opportunities to divert any individuals who could be served in a less restrictive environment than a SMHTF.
- e. Have calls with all Public Receiving Facilities, for anyone on the SMHTF waitlist over 60 days to discuss current need for treatment in a SMHTF and possible diversion to a placement in the community.

- f. Ensure all public Receiving Facilities receive at least annual training on available community resources.
- g. Ensure public Receiving Facilities provide notice via email to the SMHTF within 1 business day when an individual is diverted from admission to a SMHTF and no longer needs to be on the Civil Admission Waiting list.
- h. Report Civil Diversions monthly to the SAMH Region office.

2. Forensic SMHTF

The Managing Entity shall ensure subcontracted Network Service Providers:

- a. Ensure the Forensic Specialist or Forensic Case Manager exhausts all Post Commitment Diversion options established in CFOP 155-38, Procedures for Post Commitment Diversions of Individuals Adjudicated Incompetent to Proceed or Not Guilty by Reason of Insanity.
- b. Ensure the Forensic Specialist or Forensic Case Manager are assigned to each resident within 3 business days of admission to the SMHTF and contact information is provided to the identified staff at the SMHTF.
