

Covered Service Codes and Definitions

[01] Assessment

Assessment services include the systematic collection and integrated review of individual-specific data, such as examinations and evaluations. This data is gathered, analyzed, monitored and documented to develop the person's individualized plan of treatment and to monitor recovery. Assessment specifically includes efforts to identify the person's key medical and psychological needs, competency to consent to treatment, history of mental illness or substance use and indicators of co-occurring conditions, as well as clinically significant neurological deficits, traumatic brain injury, organicity, physical disability, developmental disability, need for assistive devices, and physical or sexual abuse or trauma.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[02] Case management

Case management services consist of activities that identify the recipient's needs, plan services, link the service system with the person, coordinate the various system components, monitor service delivery and evaluate the effect of the services received. This covered service shall include clinical supervision provided to a service provider's personnel by a professional qualified by degree, licensure, certification or specialized training in the implementation of this service.

Note: Use Intensive Case Management Covered Service [10], rather than case management Covered Service [02], if the above services are offered to persons discharged from a mental health hospital or crisis stabilization unit, who are in need of more professional care and who will have contingency needs to remain in a less restrictive setting. See 65E-15, F.A.C.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[03] Crisis Stabilization

These acute care services, offered twenty-four (24) hours per day, seven (7) days per week, provide brief, intensive mental health residential treatment services to meet the needs of individuals who are experiencing an acute crisis and who, in the absence of a suitable alternative, would require hospitalization.

Applicable Program: AMH, CMH

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record)

[04] Crisis Support / Emergency

Provides non-residential care designed to intervene in a crisis or provide emergency care and is generally available 24 hours a day, seven (7) days per week, or some other specific time period. Examples include: mobile crisis, crisis support, crisis emergency screening, crisis telephone, and emergency walk-in.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV/EVNT

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[05] Day Care

Day Care Services, in a non-residential group setting, provide for the care of children of persons who are participating in mental health or substance abuse services. In a residential setting, day care services provide for the residential and care-related costs of a child living with a parent receiving residential services. This covered service must be provided in conjunction with another Covered Service provided to a person 18 years of age or older.

Note: Day care should be reported in SAMHIS under the person responsible for the child.

Applicable Program: AMH, ASA

Report Format: SERV

Unit of Measure: Direct Staff Hour (Maximum reimbursement 4 hrs per calendar day)

Report Units: Direct Staff Minutes (Maximum = 240 minutes per SERV record)

[06] Day Treatment (Formerly Day/Night)

Day Treatment services provide a structured schedule of non-residential services for four (4) or more consecutive hours per day.

Activities for children and adult *mental health* programs are designed to assist individuals to attain skills and behaviors needed to function successfully in living, learning, work, and social environments.

Activities for *substance abuse* programs emphasize rehabilitation, treatment, and education services, using multidisciplinary teams to provide integrated programs of academic, therapeutic, and family services.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour (Maximum reimbursement 4 hrs in a calendar day)

Report Units: Direct Staff Minutes (Maximum = 240 minutes per SERV record)

[07] Drop In / Self Help Centers

These centers are intended to provide a range of opportunities for persons with severe and persistent mental illness to independently develop, operate and participate in social, recreational, and networking activities. This covered service may not be provided to a person less than 18 years old.

Applicable Program: AMH (Community Mental Health)

Report Format: EVNT

Unit of Measure: Non-Direct Staff Hour

Report Units: Non-Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[08] In-Home And On – Site Services Overlay

Provides therapeutic services and supports including early childhood mental health consultation. Services are rendered in non-provider settings such as nursing homes, assisted living facilities (ALFs), residences, schools, detention centers, commitment settings, foster homes, daycare centers and other community settings.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[09] Inpatient

Inpatient services are provided in psychiatric units within hospitals licensed under Chapter 395, Florida Statutes, as general hospitals and psychiatric specialty hospitals. They are designed to provide intensive treatment to persons exhibiting violent behaviors, suicidal behaviors and other severe disturbances due to substance abuse or mental illness.

Applicable Program: AMH or CMH

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record)

[10] Intensive Case Management

Case management services consist of activities aimed at assessing recipient needs, planning services, linking the service system to a recipient, coordinating the various system components, monitoring service delivery and evaluating the effect of services received.

These services are typically offered to persons who are being discharged from a hospital or crisis stabilization unit, who are in need of more professional care, and who will have contingency needs to remain in a less restrictive setting.

Applicable Program: AMH, CMH

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[11] Intervention

Intervention services focus on reducing risk factors generally associated with the progression of substance abuse and mental health problems. Intervention is accomplished through early identification of persons at risk, performing basic individual assessments and providing supportive services which emphasize short-term counseling and referral. These services are targeted toward individuals and families. This covered service shall include clinical supervision provided to a service provider's personnel by a professional qualified by degree, licensure, certification or specialized training in the implementation of this service.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[12] Medical Services

Provides primary psychiatric care, therapy, and medication administration by an individual licensed under the state of Florida to provide the specific service rendered. Medical services are designed to improve the functioning or prevent further deterioration of persons with substance abuse or mental health problems including psychiatric mental status assessment. For adults with mental illness, medical services are usually provided on a regular schedule, with arrangements for non-scheduled visits during times of increased stress or crisis.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[13] Medication Assisted Treatment (formerly Methadone Maintenance)

This covered service provides for the delivery of medications for the treatment of substance use or abuse disorders which are prescribed by a licensed health care professional. Services must be based upon a clinical assessment and provided in conjunction with substance abuse treatment.

Applicable Program: ASA, CSA

Report Format: SERV

Unit of Measure: Dosage

Report Units: Dosage (maximum = 1 dosage per SERV record)

[14] Outpatient – Individual

Outpatient services provide a therapeutic environment which is designed to improve the functioning or prevent further deterioration of persons with mental health and/or substance abuse problems. These services are usually provided on a regularly scheduled basis by

appointment, with arrangements made for non-scheduled visits during times of increased stress or crisis. Outpatient services may be provided to an individual or in a group setting. The group site limitations applicable to the Medicaid program shall apply to all outpatient services provided by a SAMH-Funded Entity. This covered service shall include clinical supervision provided to a service provider's personnel by a professional qualified by degree, licensure, certification or specialized training in the implementation of this service.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[15] Outreach

Outreach services are provided through a formal program to both individuals and the community. Community services include education, identification and linkage with high risk groups. Outreach services for individuals are designed to encourage, educate, and engage prospective clients who show an indication of substance abuse and mental health problems or needs. Individual enrollment is not included in outreach services.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: EVNT

Unit of Measure: Non-Direct Staff Hour

Report Units: Non-Direct Staff - Minutes (Maximum = 1440 minutes per SERV record)

[18] Residential Level I

These licensed services provide a structured, live-in, non-hospital setting with supervision on a twenty-four (24) hours per day, seven (7) days per week basis. A nurse is on duty in these facilities at all times.

For *adult mental health*, these services include group homes, which are for longer-term residents. These facilities offer nursing supervision provided by, at a minimum, licensed practical nurses on a twenty-four (24) hours per day, seven (7) days per week basis.

For *children* with serious emotional disturbances, Level I services are the most intensive and restrictive level of residential therapeutic intervention provided in a non-hospital or non-crisis support setting, including residential treatment centers. Medicaid Residential Treatment Centers (MRTC) and Residential Treatment Centers (RTC) are reported under this Covered Service. *On-call medical care* must be available for substance abuse programs. Level I services provide a range of assessment, treatment, rehabilitation, and ancillary services in an intensive therapeutic environment, with an emphasis on treatment, and may include formal school and adult education programs.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record)

[19] Residential Level II

These are licensed, structured rehabilitation-oriented group facilities that have twenty-four (24) hours per day, seven (7) days per week, supervision. Level II facilities house persons who have significant deficits in independent living skills and need extensive support and supervision.

For *children* with serious emotional disturbances, Level II services are programs specifically designed for the purpose of providing intensive therapeutic behavioral and treatment interventions. Therapeutic Group Homes, Specialized Therapeutic Foster Home - Level II and Therapeutic Foster Home – Level II are reported under this Covered Service.

For *substance abuse*, Level II services provide a range of assessment, treatment, rehabilitation, and ancillary services in a less intensive therapeutic environment with an emphasis on rehabilitation, and may include formal school and adult educational programs.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day

[20] Residential Level III

These are licensed facilities which provide twenty-four (24) hours per day, seven (7) days per week supervised residential alternatives to persons who have developed a moderate functional capacity for independent living.

For *adults with serious mental illness*, this Covered Service consists of supervised apartments.

For *children with serious emotional disturbances*, Level III services are specifically designed to provide sparse therapeutic behavioral and treatment interventions. This Covered Service provides services in Therapeutic Group Home, Specialized Therapeutic Foster Home -Level I, and Therapeutic Foster Home – Level I.

For *substance abuse*, Level III provides a range of assessment, rehabilitation, treatment and ancillary services on a long-term, continuing care basis where, depending upon the characteristics of the clients served, the emphasis is on rehabilitation or treatment.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record)

[21] Residential Level IV

This type of facility may have less than twenty-four (24) hours per day, seven (7) days per week on-premise supervision. This is the least intensive level of residential care. It is primarily a support service and, as such, treatment services are not included in this Covered Service.

For *adult mental health*, Level IV includes satellite apartments, satellite group homes and therapeutic foster homes.

For *children with serious emotional disturbances*, Level IV services are the least intensive and restrictive levels of residential care provided in group or foster homes settings, therapeutic foster homes, and group care. Regular therapeutic foster care can be provided either through Residential Level IV “Day of Care: Therapeutic Foster Home” or by billing in-home/non-provider setting for a child in a foster home.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record)

[22] Respite Services

Respite care services are designed to sustain the family or other primary caregiver by providing time-limited, temporary relief from the ongoing responsibility of care giving.

Note: Although the respite is for the caregiver, use the SSN of the client in question.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[24] Substance Abuse Inpatient Detoxification

These programs utilize medical and clinical procedures to assist adults, children and adolescents with substance abuse problems in their efforts to withdraw from the physiological

and psychological effects of substance abuse. Residential detoxification and addiction receiving facilities provide emergency screening, evaluation, short-term stabilization and treatment in a secure environment.

Applicable Program: ASA, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record)

[25] Supported Employment

Supported employment services are evidence based community-based employment services in an integrated work setting which provides regular contact with non-disabled co-workers or the public. A job coach provides long-term, ongoing support for as long as it is needed to enable the person served to maintain employment.

Applicable Program: AMH, ASA, CMH, CSA (Community Mental Health and Substance Abuse)

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[26] Supported Housing/Living

Supported housing/living is an evidence-based approach to assist persons with substance abuse and mental illness in the selection of permanent housing of their choice. These services also provide the necessary services and supports to assure their continued successful living in the community and transitioning into the community.

For children with mental health problems, supported living is the process of assisting adolescents in arranging for housing and providing services to assure successful transition to living independently on their own or with roommates in the community. Services include training in independent living skills.

For substance abuse, services provide for the placement and monitoring of recipients who: (a) are participating in non-residential services, (b) have completed or are completing substance abuse treatment, and (c) need assistance and support in independent or supervised living within a live-in environment.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[27] TASC

Treatment Alternatives for Safer Communities (TASC) provides for identification, screening, court liaison, referral and tracking of persons in the criminal justice system with a history of substance abuse or addiction.

Applicable Program: ASA, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[28] Incidental Expenses

This covered service reports temporary expenses incurred to facilitate continuing treatment and community stabilization when no other resources are available. All incidental expenses shall be authorized by the Managing Entity. Allowable uses of this service include: transportation, childcare, housing assistance, clothing, medical care, educational services, vocational services, housing subsidies and pharmaceuticals, and other incidentals as approved by the department or Managing Entity.

For purpose of reporting data in SAMHIS, providers are required to collect and report incidental expenses rounded to the nearest \$1.

Note: Incidental Expenses may be used as EVNT **only** for reporting of IDP bulk purchases.

Applicable Program: AMH, ASA, CMH, CSA (Community Mental Health and Substance Abuse)

Report Format: SERV

Unit of Measure: Dollars Spent

Report Units: Dollar Amount (Rounded to nearest \$1 of item cost)

[29] Aftercare/Follow-up

Aftercare activities include individual participation in daily activity functions that were adversely affected by mental illness or substance abuse impairments. Relapse prevention issues are important in assisting the individual's recognition of triggers and warning signs or regression. Aftercare services help families and pro-social support systems reinforce a health living.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Hour - Minutes (Maximum = 1440 minutes per SERV record)

[30] Information and Referral

These services maintain information about resources in the community, link people who need assistance with appropriate service providers, and provide information about agencies and organizations that offer services. The information and referral process involves being readily available for contact by the individual; assisting the individual with determining which resources are needed; providing referral to appropriate resources; and following up to ensure the individual's needs have been met where appropriate.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: EVNT

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per EVNT record)

[32] Substance Abuse Outpatient Detoxification

Outpatient detoxification services utilize medication or a psychosocial counseling regimen to assist recipients in their efforts to withdraw from the physiological and psychological effects of the abuse of addictive substances.

Applicable Program: ASA, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour (Maximum 4 hours per calendar day)

Report Units: Direct Staff Minutes (Maximum = 240 minutes per SERV record)

[35] Outpatient Group

Outpatient services provide a therapeutic environment designed to improve the functioning or prevent further deterioration of persons with mental health and/or substance abuse problems. These services are usually provided on a regularly scheduled basis by appointment, with arrangements made for non-scheduled visits during times of increased stress or crisis.

Outpatient services may be provided to an individual or in a group setting. The group size limitations applicable to the Medicaid program shall apply to all Outpatient services provided by a SAMH-funded entity.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[36] Room & Board w/Supervision, Level I

This Covered Service solely provides for room and board with supervision on a twenty-four (24) hours per day, seven (7) days per week basis. It corresponds to Residential Level I. This Covered Service is not applicable for provider facilities which meet the definition of an Institute for Mental Disease (IMD) as defined by Title 42 CFR, part 435.1010.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record measured at Midnight census).

[37] Room & Board w/Supervision, Level II

This Covered Service solely provides for room and board with supervision on a twenty-four (24) hours per day, seven (7) days per week basis. It corresponds to Residential Level II. This Covered Service is not applicable for provider facilities which meet the definition of an Institute for Mental Disease (IMD) as defined by Title 42 CFR, part 435.1010.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record measured at Midnight census).

[38] Room & Board w/Supervision, Level III

This Covered Service solely provides for room and board with supervision on a twenty-four (24) hours per day, seven (7) days per week basis. It corresponds to Residential Level III. This Covered Service is not applicable for provider facilities which meet the definition of an Institute for Mental Disease (IMD) as defined by Title 42 CFR, part 435.1010.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record measured at Midnight census).

[39] Short-Term Residential Treatment (SRT)

These individualized, stabilizing acute and immediately sub acute care services provide short and intermediate duration intensive mental health residential and habilitative services on a twenty-four (24) hour per day, seven (7) days per week basis. These services must meet the needs of individuals who are experiencing an acute or immediately sub acute crisis and who, in the absence of a suitable alternative, would require hospitalization.

Applicable Program: AMH

Report Format: SERV

Unit of Measure: Day

Report Units: Day (Maximum = 1 day per SERV record).

[40] Mental Health Clubhouse Services

This Covered Service provides structured, evidence-based services designed to strengthen and/or regain the client's interpersonal skills, provide psycho-social therapy toward rehabilitation, develop the environmental supports necessary to help the client thrive in the community and meet employment and other life goals and promote recovery from mental illness. Services are typically provided in a community-based program with trained staff and members working as teams to address the client's life goals and to perform the tasks necessary for the operations of the program. The emphasis is on a holistic approach focusing on the client's strengths and abilities while challenging the client to pursue those life goals. This service would include, but not be limited to, clubhouses certified under the International Center for Clubhouse Development. This covered service may not be provided to a person less than 18 years old.

Applicable Program: AMH

Report Format: EVNT

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[42] Intervention – Group

Intervention services focus on reducing risk factors generally associated with the progression of substance abuse and mental health problems. Intervention is accomplished through early identification of persons at risk, performing basic individual assessments, and providing supportive services, which emphasize short-term counseling and referral. These services are targeted toward individuals and families.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[43] Aftercare – Group

Aftercare activities include individual participation in daily activity functions that were adversely affected by mental illness or substance abuse impairments. Relapse prevention issues are important in assisting the individual's recognition of triggers and warning signs or regression. Aftercare services help families and pro-social support systems reinforce a healthy living environment.

Applicable Program: AMH, ASA, CMH, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Hour - Minutes (Maximum = 1440 minutes per SERV record)

[44] Comprehensive Community Service Team (CCST) - Individual

This is a bundled service package designed to provide short-term assistance and guide individuals in rebuilding skills in identified roles in their environment through the engagement of natural supports, treatment services, and assistance of multiple agencies when indicated. Services provided under the Comprehensive Community Service Teams may not be simultaneously reported to another Covered Service.

Allowable bundled activities include the following Covered Services as defined in subsection (4) of 65E-14.021: Aftercare, Assessment, Case Management, Information and Referral, In-home/On-site, Intensive Case Management, Intervention, Outpatient, Outreach, Indicated Prevention, Supported Housing, Supported Employment, Recovery Support, and other transition and non-traditional support services as negotiated by the Department and the Provider.

Applicable Program: AMH, CMH, ASA, CSA

Report Format: SERV/EVNT

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[45] Comprehensive Community Service Team (CCST) - Group

This is a bundled service package designed to provide short-term assistance and guide individuals in rebuilding skills in identified roles in their environment through the engagement of natural supports, treatment services, and assistance of multiple agencies when indicated. Services provided under the Comprehensive Community Service Teams may not be simultaneously reported to another Covered Service.

Allowable bundled activities include the following Covered Services as defined in subsection (4) of 65E-14.021: Aftercare, Assessment, Case Management, Information and Referral, In-home/On-site, Intensive Case Management, Intervention, Outpatient, Outreach, Indicated Prevention, Supported Housing, Supported Employment, Recovery Support, and other

transition and non-traditional support services as negotiated by the Department and the Provider.

Applicable Program: AMH, CMH, ASA, CSA

Report Format: SERV/EVNT

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[46] Recovery Support – Individual

These services are designed to support and coach an adult or child and family to regain or develop skills to live, work and learn successfully in the community. Services include substance abuse or mental health education, assistance with coordination of services as needed, skills training, and coaching. This Covered Service shall include clinical supervision provided to a service provider's personnel by a professional qualified by degree, licensure, certification, or specialized training in the implementation of this service.

For Adult Mental Health and Children's Mental Health Programs, these services are provided by a Certified Family, Veteran, or Recovery Peer Specialist.

For Adult and Children's Substance Abuse programs, these services may be provided by a certified Peer Recovery Specialist or trained paraprofessional staff subject to supervision by a Qualified Professional as defined in Rule 65D-30.002, F.A.C. These services exclude twelve-step programs such as Alcoholics Anonymous and Narcotics Anonymous.

Applicable Program: ASA, CSA, AMH, CMH

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[47] Recovery Support – Group

These services are designed to support and coach an adult or child and family to regain or develop skills to live, work and learn successfully in the community. Services include substance abuse or mental health education, assistance with coordination of services as needed, skills training, and coaching. This Covered Service shall include clinical supervision provided to a service provider's personnel by a professional qualified by degree, licensure, certification, or specialized training in the implementation of this service.

For Adult Mental Health and Children's Mental Health Programs, these services are provided by a Certified Family, Veteran, or Recovery Peer Specialist.

For Adult and Children's Substance Abuse programs, these services may be provided by a certified Peer Recovery Specialist or trained paraprofessional staff subject to supervision by a Qualified Professional as defined in Rule 65D-30.002, F.A.C. These services exclude twelve-step programs such as Alcoholics Anonymous and Narcotics Anonymous.

Applicable Program: ASA, CSA, AMH, CMH

Report Format: SERV

Unit of Measure: Direct Staff Hour

Report Units: Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[48] Indicated Prevention

Indicated prevention services are provided to at-risk individuals who are identified as having minimal but detectable signs or symptoms foreshadowing mental disorders or substance use disorders. Target recipients of indicated prevention services are at-risk children and adolescents who do not meet clinical criteria for mental health or substance abuse disorders. Indicated prevention services are designed to preclude, forestall or impede the development of mental health or substance abuse disorders. These services shall address the following specific prevention strategies, as defined in Rule 65D-30.013, F.A.C.: education, alternative and problem identification and referral services.

Applicable Program: AMH, CMH, ASA, CSA

Report Format: SERV

Unit of Measure: Direct Staff Hour (Maximum 8 hrs per calendar day)

Report Units: Direct Staff Minutes (Maximum = 480 minutes per SERV record)

[49] Selective Prevention

Selective prevention services are provided to a population subgroup whose risk of developing mental health or substance abuse disorders is higher than average. Target recipients of selective prevention services do not meet clinical criteria for mental health or substance abuse disorders. Selective prevention services are designed to preclude, forestall or impede the development of mental health or substance abuse disorders. These services shall address the following specific prevention strategies, as defined in Rule 65D-30.013, F.A.C.: information dissemination, education, alternatives, and problem identification and referral services.

Applicable Program: AMH, CMH, ASA, CSA

Report Format: EVNT

Unit of Measure: Non-Direct Staff Hour

Report Units: Non-Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[50] Universal Direct Prevention

Universal direct prevention services are provided to the general public or a whole population that has not been identified on the basis of individual risk. These services are designed to preclude, forestall or impede the development of mental health or substance abuse disorders. Universal direct services directly serve an identifiable group of participants who have not been identified on the basis of individual risk. This includes interventions involving interpersonal and ongoing or repeated contact such as curricula, programs, and classes. These services shall address the following specific prevention strategies, as defined in Rule 65D-30.013, F.A.C.: information dissemination, education, alternatives or problem identification and referral services.

Applicable Program: AMH, CMH, ASA, CSA

Report Format: EVNT

Unit of Measure: Non-Direct Staff Hour

Report Units: Non-Direct Staff Minutes (Maximum = 1440 minutes per SERV record)

[51] Universal Indirect Prevention

Universal indirect prevention services are provided to the general public or a whole population that has not been identified on the basis of individual risk. These services are designed to preclude, forestall or impede the development of mental health or substance abuse disorders. Universal indirect services support population-based programs and policies implemented by coalitions. These services can also include meetings and events related to the design and implementation of components of the strategic prevention framework, including needs assessments, logic models and comprehensive community action plans. The services shall address the following specific prevention strategies, as defined in Rule 65D-30.013, F.A.C.: information dissemination, community-based processes and environmental strategies.

Applicable Program: AMH, CMH, ASA, CSA

Report Format: EVNT

Unit of Measure: Non-Direct Staff Hour

Report Units: Non-Direct Staff Minutes (Maximum = 1440 minutes per SERV record)
