Video Remote Interpreter Services (VRI)

The Video Remote Interpreter Service (VRI) has been set up in the Northwest Region ACCESS offices to provide qualified sign language interpreters and other auxiliary aids and services to deaf and hard-of-hearing persons using its programs and services across the State.

Birnbaum Interpreting Services (BIS) has been contracted to provide the video interpreter services on a pre-paid basis. If the interview will be more than 1 hour, two interpreters will be used at no extra charge.

Below are guidelines for using this service.

Each circuit has its own user name that all users in that circuit will use. Only one user within a circuit can be on the VRI system at a time. For example: C-1 there are 2 sites but only 1 user name so only one of the sites can be on the system at a time.

Tracking is essential in using this service. When an interpreter has been scheduled, email Pam Hight with the date of the interview, name of employee who will conduct the interview, service site, and deaf customer's name. Any invoices received from BIS are to be sent to Pam Hight. Before attempting the first call set up a scheduled TEST Demo on the VRI system. All you have to do is call and tell the BIS operator you are placing a test call to show staff. It is important to be sure to say it is a test so the call will not be charged.

On Demand Interview Request. You can contact an interpreter without a scheduled appointment by doing the following:

1. Log in to the VRI System --User names are: NWDCF1 for C-1, NWDCF2 for C-2, and NWDCF3 for C-14. Password for all user names is bisvri
2. Click on the any of the contacts in your contact list.
3. Once the call has been answered give the
 - Client ID: 12815 (Always use this number DCF is the client in this instance)
 - Employee's name that is calling in
 - What service site you are calling from. (Bonifay, Ft. Walton, Quincy, etc.)
 - Deaf customer's name

Scheduling an Interview. If you know your customer is coming in for an interview you can schedule the interpreter in advance by doing one of the following:

1. Going to the website of www.bisscheduling.com .
2. Faxing your request. The fax request sheets are attached as well as the Request Form Guide.
3. Calling 1-877-247-8742
4. Emailing your request to connie.anderson@bisworld.com. You will need to give the following information to schedule the interview:
 - Client Id: 12815 (Always use this number DCF is the client in this instance)
 - Employee's name that is calling in.
 - On-site Contact information: Where you are located and phone number or email address of the employee or supervisor who can be contacted if needed.

- Deaf customer's name.

After the Call. Once the call has been completed, please email Pam Hight pam_hight@dcf.state.fl.us with the date of the interview, service site of the interview, name of employee who conducted the interview, customer name and how many minutes were used to complete the interview.
