This task force has been active in the Jacksonville area for many years. The participants are representatives of various government agencies, private not-for-profit organizations and mutual assistance associations. An average of about twenty-five to thirty people attend these meetings on a regular basis. The purpose of these meetings is to increase awareness of the refugee populations, share best practices, build collaborations between agencies, spot trends in refugee populations, characteristics or movements, help create good communication among service providers; get informed about upcoming community events, request for proposals, training, workshops, conferences, etc., at the local, state and national level; discuss refugee program service needs and possible solutions to meeting those needs. Meeting participants also receive updates, information and clarification on new federal and state regulations and policy changes pertaining to refugees.

If there are any issues that you would like to include in the agenda, please contact me at the above address.

I look forward to seeing you at the meeting!
